Rise and Shine

Rise & Shine is our annual breakfast benefit to raise community awareness and critical support for Arts For Life! Your support of Rise & Shine will bring creativity, discovery, and joy to children and families in treatment for cancer and other serious illnesses at Duke Children's Hospital & Health Center. The breakfast is free to attend, and we make a request for support during the program.

The arts are often a much-needed bright spot in otherwise dark and challenging times for our young patients. Last year, Arts For Life brought over 5,000 art lessons to more than 2,900 children and family members in treatment at Duke Children's Hospital.

Every day at Arts For Life, we see how the arts lift children up and help them heal, cope with the effects of illness, and succeed in life.

To learn more about this truly special event and our work, please check out our website: www.artsforlifenc.org
