Rise and Shine

Rise & Shine is our signature annual event to raise community awareness and much-needed support for Arts For Life! Your support of Rise & Shine will benefit Arts For Life and bring creativity, discovery, and joy to children and families in treatment for cancer and other serious illnesses and disabilities at Mission Children's Hospital and in treatment across North Carolina.

The arts are often a much-needed bright spot in otherwise dark and challenging times for our young patients. Last year, Arts For Life brought art and music lessons to more than 14,000 children and family members in treatment at children's hospitals across NC.

This year, our Rise & Shine goal is to raise enough to continue our work: supporting young patients and families in the Western North Carolina community and beyond.

To learn more about our work, please visit our website: www.artsforlifenc.org

Every day at Arts For Life, we see how the arts lift children up and help them heal, cope with the effects of illness, and succeed in life.
