Will you support Swing For The Kids this year and light the spark of creativity for some very special children in need?
Swing for the Kids

Swing for the Kids helps golf enthusiasts turn passion into purpose! Your support of Swing for the Kids to benefit Arts For Life will bring creativity, discovery, and joy to children and families in treatment for cancer and other serious illnesses in children’s hospitals and clinics. Art, music, and creative writing are often a much-needed bright spot in otherwise dark and challenging times for these kids.

In the spring of 2016, a dedicated group of Arts For Life volunteers rallied friends and co-workers to raise funds to bring the arts to kids in their community. Over 100 people showed up at Falls Village Golf Course in Durham, North Carolina for the inaugural Swing for the Kids tournament! Our loyal participants braved hours of rain to drive, swing, chip, and putt their hearts out, for 18 holes. Stories were shared, prizes were awarded, laughter was plentiful, and at the end of the day, this stellar group of supporters raised over $16,000 to benefit patients and families.

Every year it has been held then, Swing for the Kids has grown. After taking postponing the tournament due to the pandemic, we are looking forward to an exceptionally stellar year!

Will you join us and support young patients at this year’s Swing for the Kids?

Every day at Arts For Life, we see how the arts lift children up and help them heal, cope with the effects of illness, and succeed in life.

“I see Arts for Life as the color and the joy in a patient’s experience, whether in the clinic or in the hospital. It is a different type of joy that a child cannot get from watching a movie or from playing a video game.

With Arts for Life, they are creating something tangible and forming human connections: they are healing.”

Itala Azzarelli
Licensed Clinical Social Worker
